Thank You!

The Burbank Park District would like to take this opportunity to thank School District #111 and Reavis High School for the use of the facilities in helping us provide recreational programs for the community. We would like to thank all the men and women behind the scene, who do not get the recognition, but are a vital part in helping us set up the gym facility for our programs. Thanks to all the custodians.

Accommodations

Burbank Park District programs and facilities are available to all citizens regardless of race, color, national origin, sex, age or disability. Reasonable accommodations may be requested to provide participation in desired programs and activities.

PLEASE NOTE

Dogs...

...They may be your beloved pet, but when they leave "souvenirs" in the park, they become a nuisance to the community and violate the park district code.

All animals are prohibited in the parks. Violations are subject to a \$500 fine. Remember, the next time your family visits the park, you don't want to take home that kind of "souvenir".

Non-Resident Mailing List

If you live outside of Burbank and wish to receive our brochure, contact our offices at 708-599-2070 to be put on our mailing list. Brochures will be mailed out in late August, December and April.

New Recreational Programs

If you have a suggestion for a recreational program that you would like to see offered, or if you have a skill to instruct a class, please call or write to our Recreation Department at 8050 S. Newcastle (708) 599-2070.

Important Insurance Information

The Burbank Park District does not carry medical or accident insurance for program participants - the cost would make program fees prohibitive. Please review your own personal health insurance plan to be certain that you and your family have the proper coverage

Special Recreation

Through a cooperative agreement with the Oak Lawn Park District, the Burbank Park District is able to offer children and adults who have a disability, handicap or special need the opportunity to participate in the special recreation program. For more information, call the Oak Lawn Recreation Office at 708-857-2200 or pick up brochure at Newcastle Office.

Program Visits

Program visits are discouraged. With your child's best interest in mind, parents are invited to the first and last class. (No siblings please.) Our instructors have found the quality of instruction is affected by parents and sibling distraction during class time. We feel it is most beneficial for children to have recreational time with their peers. Our instructors always welcome the opportunity to discuss the participants progress with parents. Thank you

Frequently Asked Questions: Why Does A Class Get Cancelled?

The Burbank Park District has long been known for offering some diverse programs. Classes and special events meet the varied interests, ages and skill levels of all our residents and those in nearby communities. However, classes sometimes have to be cancelled. There are many reasons why. The first and foremost reason is that a particular time offering does not reach its minimum enrollment requirement. Secondly, a new program of interest that was requested by a few patrons is set up, but does not catch on immediately. Also, an instructor may become ill or suddenly unavailable, or a facility may have an unavoidable schedule conflict. These factors we cannot control, especially if the facility is not owned by the park district. The important thing to remember is that no matter what the reason for the class cancellation, the park district staff will make every effort to accommodate you or a family member into a similar program. If we cannot do this, we will happily refund your money. So take a chance — try something new. Be adventurous. You have nothing to lose and only fun, friendship and new experiences to gain. **The Benefits are Endless!**

Vandalism Alert

The Burbank Park District Board of Commissioners asks that all residents help the Park District in keeping our parks, playgrounds and facilities vandal free. If you see suspicious activity, please dial "911" and report it. Anyone found destroying park district property will be prosecuted.
