We will have all Fusion Recplex schedules starting the 2nd week of September, which comes out in our next brochure.

What's Been Happening at the Burbank Park District

Do you really have to ask! Do You! The Burbank Park District is only months away from opening a 37,000 s.f. fitness/recreation center. Our Fusion Recplex will be a place to socialize, workout and have fun. As you read this, we are scheduled to open the end of July, if weather holds up. You can visit www.BurbankParkDistrict.org to see updated construction pictures.

How did our community get such a great building?

Through the efforts of former State Senator Louis Viverito, Mayor Harry Klein and Committeeman Michael Looney who have been BIG, BIG supporters. Our five (5) Board of Commissioners (Carol Opitz, Ed Krupa, Monika Leffers, Ted Arnold and Mary Faley) have allowed the Park District to expand the original budget. All of these people realize how vital fitness and recreation are to a healthier, longer life.

Can I sign up now, please, pretty please!

Yes you can! Pre-construction prices are listed on page 5! We will be running promotional pricing until the facility opens, so you don't have to wait. Sign up starts May 6 for residents and May 13 for non-residents.

Why the Fusion Recplex?

At the Park District, we believe energy and excitement are key components to bringing people to exercise and have fun. Fusion Recplex will truly be "Where Fitness & Recreation Become One!" Fitness being our 4,500 s.f. fitness center, spin bike studio, personal training studio and all group exercise classes and recreation being our hydro massage, lobby/lounge area, locker rooms with showers and steam room, TVs located throughout the facility, elevated walking track and much more. *So socialize, get fit and recreate!*

Executive Director

Thanks to all the custodians.

VIP Program - The Benefits Are Endless

Do you enjoy seeing the kids have fun? Does a smile on a young face give you a reward beyond words? Do you feel youth coaching is all about FUN FOR KIDS!!! Do your community and yourself a favor, be a Volunteer in a Park District (V.I.P). If you have the time and interest, or need more information, call 708-599-2070. Our next programs that need volunteers will be our Youth Basketball & Soccer Programs.

Our goal this year and every year... **MAKING YOUTH PROGRAMS FUN FOR KIDS!!!**

Please Note

Dogs...

...They may be your beloved pet, but when they leave "souvenirs" in the park, they become a nuisance to the community and violate the park district code.

All animals are prohibited in the parks. Violations are subject to a \$500 fine. Remember, the next time your family visits the park, you don't want to take home that kind of "souvenir".

Non-Resident Mailing List

If you live outside of Burbank and wish to receive our brochure, contact our offices at 708-599-2070 to be put on our mailing list. Brochures will be mailed out in late August, December and April.

Early Warning Lightning Detection Systems

The Park District has installed Early Warning Lightning Detection Systems at Michael Looney, Narragansett, Rice, Harr, Stevenson, MacArthur and Newcastle Parks. If lightning strikes the ground within a 5 mile radius, a horn will sound and a strobe light will flash. If this happens, you should seek shelter in a safe place. After 30 minutes of no ground lightning strikes, an all clear intermittent horn will sound and the strobe light will turn off.

On-Line Registration

Have no time to get to the Park District? Then visit www.burbankparkdistrict.org to register for your favorite class.

Important Insurance Information

The Burbank Park District does not carry medical or accident insurance for program participants - the cost would make program fees prohibitive. Please review your own personal health insurance plan to be certain that you and your family have the proper coverage.

Special Recreation

Through a cooperative agreement with the Oak Lawn Park District, the Burbank Park District is able to offer children and adults who have a disability, handicap or special need the opportunity to participate in the special recreation program. For more information, call the Oak Lawn Recreation Office at 708-857-2200 or pick up brochure at Newcastle Office.

Program Visits

Program visits are discouraged. With your child's best interest in mind, parents are invited to the first and last class. (No siblings please.) Our instructors have found the quality of instruction is affected by parents and sibling distraction during class time. We feel it is most beneficial for children to have recreational time with their peers. Our instructors always welcome the opportunity to discuss the participants progress with parents. Thank you

Frequently Asked Questions: Why Does A Class Get Cancelled?

The Burbank Park District has long been known for offering some diverse programs. Classes and special events meet the varied interests, ages and skill levels of all our residents and those in nearby communities. However, classes sometimes have to be cancelled. There are many reasons why. The first and foremost reason is that a particular time offering does not reach its minimum enrollment requirement. Secondly, a new program of interest that was requested by a few patrons is set up, but does not catch on immediately. Also, an instructor may become ill or suddenly unavailable, or a facility may have an unavoidable schedule conflict. These factors we cannot control, especially if the facility is not owned by the park district. The important thing to remember is that no matter what the reason for the class cancellation, the park district staff will make every effort to accommodate you or a family member into a similar program. If we cannot do this, we will happily refund your money. So take a chance — try something new. Be adventurous. You have nothing to lose and only fun, friendship and new experiences to gain. **The Benefits are Endless!**

Vandalism Alert

The Burbank Park District Board of Commissioners asks that all residents help the Park District in keeping our parks, playgrounds and facilities vandal free. If you see suspicious activity, please dial "911" and report it. Anyone found destroying park district property will be prosecuted.

Please read the following guidelines carefully before paying with a credit card so the Park District can continue to provide excellent service.

1. Completely fill out the registration form including all information in the credit card box. Forms will not be processed unless all items are completed.
2. Aside from the waiver signature, a second signature is also required when paying by credit card. This signature authorizes the Burbank Park District to utilize your card information. Please be sure to

provide your signature with the card information.

3. Faxed registration forms need to be completed in a dark pen to ensure a clear transmission. Please print clearly.
4. All faxed registrations will be registered in conjunction with other registrations received at the Park District office.

Mark Your Calendar!

We DO NOT send registration confirmations via email or regular postal mail. A representative from the Park District will contact you if there is a waitlist for the program for which you registered.
