

BURBANK PARK DISTRICT

Fall FUN GUIDE *2026*

A Letter From The Executive Director

Seasons Greetings! Another Summer has come and gone, and I hope you and your family had the opportunity to enjoy the many programs, events, and amenities the Burbank Park District has to offer.

One of my personal favorite events, Party in the Park, was four fun-filled days kicking off a great summer season. From the excitement of Loteria to the Pie Eating contest, there was truly something for everyone. One of my favorite moments was watching the spectacular fireworks display while enjoying the great music of The 1985 Band. Our Summer Day Camp was another huge success! Campers enjoyed a summer filled with crafts, swimming, and exciting field trips that created long-lasting memories. Campers showcased their talents in the All Camp Talent Show; what a great way to wrap up a great summer season!

I would also like to extend a heartfelt thank you to the more than 100 seasonal staff members in our Water Park, Day Camp, Maintenance, and Recreation Departments. Their hard work and dedication throughout the summer- despite extreme heat, severe storms and air quality- helped ensure our parks and facilities remained safe, welcoming and enjoyable for everyone. Thank you for making the Burbank Park District such a wonderful place to spend the summer!

Where Fitness & Recreation Become one!

The Fusion Recplex continues to thrive with more than 1,900 members. We are proud to offer a wide variety of group fitness classes seven days a week, all included with a fitness membership. Our 37,000 square foot facility is equipped to meet the needs of everyone. We have a 5,000 square foot fitness center, full gymnasium, spin cycle room, personal training studio, and 1/16th mile walking track for all members to enjoy. Need childcare while you work out? Our Kid-Zone area is staffed to supervise your child at a convenient cost. If your Summer sun and vacations have you feeling aches and pains, then book a massage with our certified Massage Therapist staff. We also have hydro massage offerings found on page 5.

Looking for a great place to host your next birthday party, anniversary, baby shower, or celebration of life? Then check out our three spacious multi-purpose/Party rooms available for rental. You may also add the gym to your parties to give your event the space to really get rocking! The Fusion Recplex is truly a place "Where Fitness and Recreation Become One." I look forward to seeing you all at our festive events such as The Halloween Haunt-Tacular, as well as our winter events like Winter Fest and Frosty 5K. See pages 15-23 for more information.

In the 3-4 year old Preschool Program, it is our goal to have the children master basic skills that are appropriate for their age group. An example of these skills would be recognizing and/or printing letters, numbers, shapes and patterns. We will introduce these concepts through a variety of creative and hands-on educational activities. The children will enhance their social skills and develop a positive self-concept while striving to become independent thinkers.

Any child that is interested in attending our Preschool Program must be 3 years of age by September 1, 2026. This guideline must be followed in order to enable your child to attend Kindergarten in the upcoming year. **BIRTH CERTIFICATES AND IMMUNIZATION RECORDS ARE REQUIRED AT TIME OF REGISTRATION.** Registration is on-going, sign up now.
